Notice of the Department of Immigration, Nepal

Notice No. 11

Date: 10 March 2022

NOTICE

This to notify to all the concerned that the following arrangements have been made for the travellers entering into Nepal through air or land routes as per the decision of the Council of Ministers, the Government of Nepal dated 10 March 2022 in order to control the infection of new variant of COVID-19.

1. Travellers entering into Nepal from foreign countries through land or air route should present the certificate of full vaccination against COVID-19. Those who cannot present the certificate of full vaccination, should submit the proof of COVID-19 test (RTPCR, True NAAT, Gene Xpert) carried out within 72 hours of embarkation for travel.
2. The concerned airlines should provide the information about the COVID-19 related health protocols of destination countries to all the travellers departing from Nepal for other countries via air route. Documents related to health to be submitted by the travellers departing from Nepal to the destination countries shall be as determined by the concerned airlines in compliance with the health protocols of the destination country.
3. All the prior notices published by the Department have been abrogated.
