## **Urgent Notice**

The Embassy of Nepal in Berlin would like to inform all the visa applicants (individuals and agencies) that the Embassy will be introducing Electronic Travel Authorization (ETA) in place of handwritten visas to the applicants to visit Nepal effective from 21 August 2023. The Embassy believes that the new system will make the visa process more efficient, scientific, and reliable.

The Embassy wishes to further notify that all the applicants will be issued handwritten visas before 21 August 2023. All other requirements and processes including the submission of physical passports to obtain visas to travel to Nepal will remain the same.

Thank you for your kind cooperation.
